Tumkur University

Tumkur University, established in the year 2004, has gained significance as one of the young universities in the country and has been recognized as an institution of higher learning on par with high profile national institutions. It is a State University, established to cater to the educational needs of Tumakuru district where the majority of students hail from the rural background. Since its inception, the University has been witnessing tremendous growth in the development of its academic profile and infrastructural facilities. Within a short span of thirteen years, the University has been successful in being recognized under section 2(f) and 12(B) of the UGC Act 1956 and also successfully gaining 'B' grade by the NAAC accreditation.

Dept. of Studies and Research in Library and Information Science

Department of Studies and Research in Library and Information Science was established in 2005 with the objective of imparting high quality education in Library & Information Science with competence in meeting the challenges of the knowledge society. The Department has five well qualified faculty members with diverse teaching, research and industrial experience. Over the past five years, the Department has conducted several international and national conferences. Saturday Mirror Special Lecture Series is a unique feature of the Department.

Alumni Association of Library and Information Science, Tumkur University (AALISTU)

AALISTU was established in the year 2018 to provide a platform for the alumni of the Department to equip themselves continually with the latest trends and developments in the profession through well-designed capacity building programmes.
