Tumkur University

Tumkur University, established in the year 2004, has gained significance as one of the young universities in the country and has been recognized as an institution of higher learning on par with high profile national institutions. It is a State University, established to cater to the higher educational needs of Tumakuru district where the majority of students hail from the rural background. Since its inception, the University has been witnessing tremendous growth in the development of its academic profile and infrastructural facilities. The University has successfully secured NAAC accreditation with 'B' grade.

Department of Studies and Research in Library and Information Science

Department of Studies and Research in Library and Information Science was established in 2005 with the objective of imparting high quality education in Library and Information Science with competence in meeting the challenges of the knowledge society. The Department has a well-equipped computer lab, information processing tools and well-qualified faculty members with rich academic, industrial and corporate experience. The faculty members have successfully carried out major and minor research projects funded by UGC and ICSSR. They are actively engaged in publishing papers in reputed international and national journals and conferences, and have won several best paper awards. In the past six years, the Department has organized one international and three national conferences. "Saturday Mirror" Special Lecture series is a unique initiative of the Department

Karnataka State College Librarians Association (KSCLA)

Karnataka State College Librarians Association was established in 1979 with the objective of improving the services of college libraries, the status and service conditions of library staff, co-operating actively to benefit mutually by the resources available in the libraries, strengthening the financial resources of the college libraries and raising the professional standard of library staff in college libraries. During the span of four decades, significant achievements have been made for the cause of librarianship in Karnataka state to develop the college libraries. Professor T S Rubin was the first President of KSCLA. At present, Sri M.N.N. Prasad is the President. The Association has organized several national level conferences and seminars in association with universities and colleges in different parts of Karnataka.
